After viewing *Fentanyl: The Deadliest Opioid* and participating in the class activities included in this Teacher’s Resource Book, your students will be able to:

- Understand what fentanyl is, and its dangers.
- Become aware of the typical fentanyl abuser’s path from abuse of prescription painkillers to abuse of fentanyl.
- Describe the signs and symptoms of fentanyl addiction.
- Understand how fentanyl use affects the brain.
- Discuss the challenges of detoxing and recovery.
- Become aware of the risk of overdose and death from abuse of fentanyl.
- Discuss real stories of young people that have experienced serious health consequences, including death, as a result of fentanyl abuse.
